The Siebold Company, Inc.

Parts & Service

Through our acquisition of **DGM**, we have the parts, parts drawings and intellectual property to ensure you that you will receive genuine DGM parts when you order from us by calling **800-452-9481**.

Whether you need parts, service, routine maintenance, or have an urgent break down we can help! We offer an experience staff backed by a large selection of offset printing press parts to support *Goss® Urbanite™*, *Goss® Community®*, *Goss® Magnum®*, all **DGM** and *Smith Pressroom Products*.

Eugene Albright, VP Press Products, Parts & Service eugene@siebold.com 800-452-9481

With over 30 years of experience as a certified "Unlimited" Electrical Contractor and Senior Technical Manager, Eugene has been a frontrunner in product & technical development for TSC. His current focus is developing design enhancements for the Smith Spray Bar Dampening product line and DGM4000 Press Drive System. Eugene is also heading up Siebold efforts in our 40,000-square foot facility Harrisburg, PA for all of your parts and service needs.

Ed Heim, Parts & Service Manager ed@siebold.com 800-452-9481

When you call our parts department at 800-452-9481, or email Ed at ed@siebold.com, rest assured he understands the importance of your order and your deadlines. Ed's extensive parts and service experience will help you determine exactly what you need.

- We have a library of resources including OEM manuals and part drawings to help identify your replacement parts.
- We can also put you in contact with our in-house engineering and service departments to help answer any questions you may have. Working with us will ensure that you will get the correct parts required to repair your press.
- Our operating hours are Monday through Friday from 7:30 a.m. to 5:00 p.m. Eastern Standard Time. We also have an after-hours emergency parts and service available by calling **800-452-9481**.
